Church Profile: 608 Valleydale Rd Charlotte, NC

Mission City Church is a family of faith growing faith in families church. We are located in North West Charlotte in a middle to lower class neighborhood that is mostly unchurched. During the height of the pandemic our food pantry fed 140 families a week. We say that we are like the Island of Misfit Toys, everyone has something wrong with them, and we believe Jesus is the only hope we have to offer. We are praying for the person God is uniquely calling to this position. We are praying for someone who has a passion for God, and broken families that need hope.
